To Whom It May Concern

This is to certify that **Hermes Loschi**, Marie Skłodowska-Curie Actions (MSCA) Individual Fellow, Instytut Automatyki, Elektroniki i Elektrotechniki at Uniwersytet Zielonogórski, Poland, served on the Reviewers' Board of **Athens Journal of Technology & Engineering**.

The Athens Institute for Education and Research would like to express its gratitude and appreciation for the contribution made by **Hermes Loschi** to the reviewing process of the **Athens Journal of Technology & Engineering**.

For your information, the Athens Institute for Education and Research was established in 1995 as an independent world association of Academics and Researchers. Its mission is to act as a forum, where scientists from all over the world can meet and exchange ideas on their research, and discuss future developments in their disciplines. Membership at present stands at approximately 2,500 from 117 countries.

Sincerely yours,

Dr Gregory T. Papanikos
President
